

**Welcome**

**Annika Eerola, Sales Manager Nordics  
Chapman Freeborn**

## Who we are?

50 years of expertise in

- Cargo
- Passenger charter
- Aircraft leasing
- Military and humanitarian airlifts

good relationship with

- airlines & operators
- handling agents
- freight forwarders
- control authorities

This allows us to facilitate all kinds of air charter operations, from an emergency relief airlift to a corporate roadshow, in a timely, cost-effective manner.

**chapman freeborn**

# Cargo charters

We take cargo to new dimensions

## Industry experts

We analyse route, payload and timescale in order to propose the most suitable aircraft for a client's requirements.

## Any size

Unparalleled experience in sourcing and chartering heavy lift aircraft.

## Competitive pricing

Our volume buying power enables us to provide highly competitive pricing.

## Award winning service

Over the last decade, Chapman Freeborn has received more than 20 top aviation industry awards for service.

# Humanitarian airlifts

A fast and efficient airlift response

## Airdrop experts

We are a significant supplier to the United Nations and have niche expertise in the field of airdropping.

## Rapid response

We pride ourselves on our ability to react rapidly to emergency situations – including setting up time-critical flights

## Global solutions

Major operations include the response to the tsunami, earthquakes or war situation. Right contacts to operate.

## More than just cargo

We also assist in passenger movements, having evacuated NGO personnel and civilians from war zones around the world.

# Humanitarian airlifts

Examples of Chapman Freeborn's aid airlift operations

# Group charters

Group air travel tailored to our client's need

## Unparalleled scope

We cover the full range of commercial aircraft, from 50 passengers to several hundreds

## Five decades of experience

To move any number of passengers, anywhere in the world.

## Local teams

We can provide local airport assistance and on-board flight managers to ensure the smooth operation of large projects.

## Niche expertise

We have niche expertise in unplanned circumstances, such as evacuation and repatriation flights.

# Private jet charters

Private travel perfected

## Maximum flexibility

We charter all types of aircraft including private jets, helicopters and new coming electric planes.

## Cost effective

solution for corporate travel, especially in a multi-city, time-sensitive itinerary.

## Fully bespoke

Special arrangements for catering, security, tarmac access, immigration clearances and diplomatic formalities.

Flying direct and with right size of aircraft is better for the environment. We prefer operators using sustainable aviation fuel (SAF)

# Flight support

The global flight support specialists

**24/7/365**

Our service delivers around-the-clock flight support on a global basis.

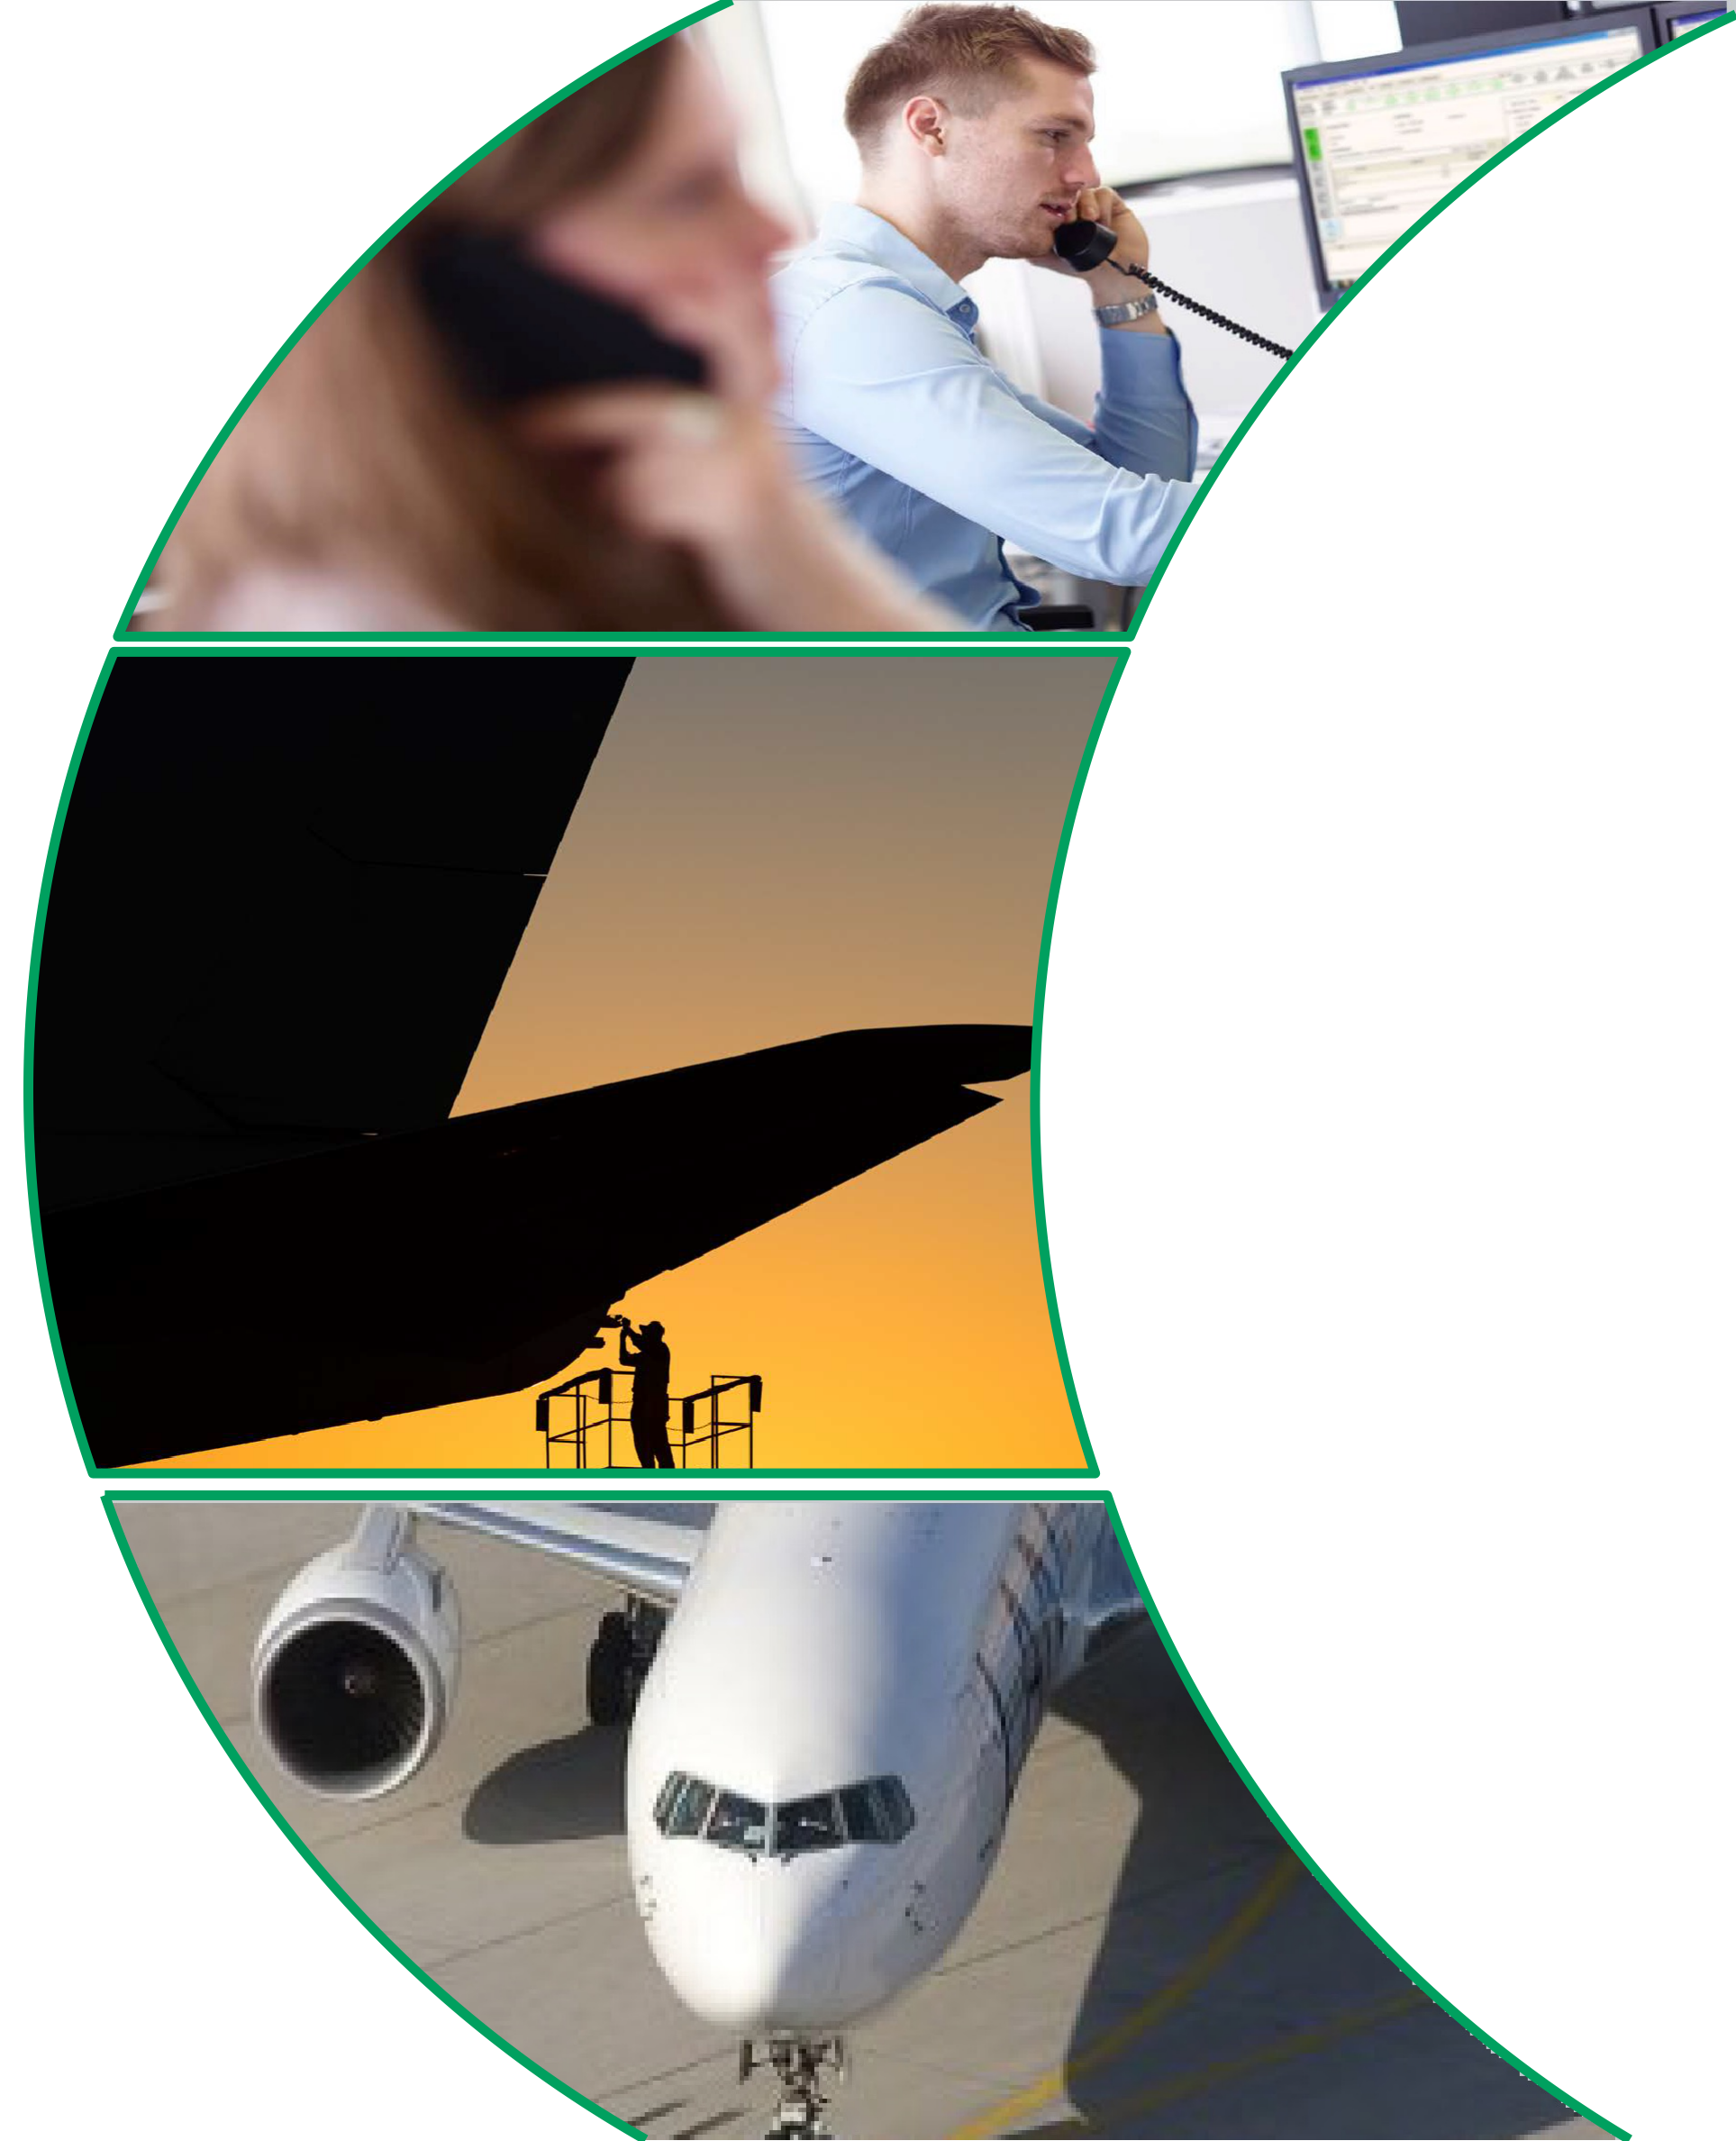

**Full service**

terminal ground handling, special catering and ground transfers, all can be arranged

**Real-time**

No stress for client, we are also on hand to monitor flight operations in real-time

# Chapman Freeborn OBC

The global on board courier specialists

## Round the clock, around the globe

Chapman Freeborn OBC is headquartered in Germany with additional operations centres in USA, Dubai and Hong Kong with 24/7/365 service.

## On hand, in hand, by hand

Our on board couriers personally accompany shipments from pick-up to final delivery, anywhere in the world.

## Real-time tracking

We keep clients updated every step of the way.

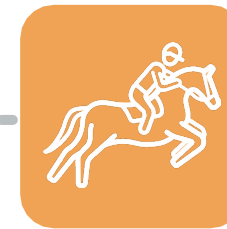

## Innovative solutions

Our service isn't limited to the delivery of a single item. Our team can provide advice on weight limitations, customs procedures, packaging requirements and restricted materials.

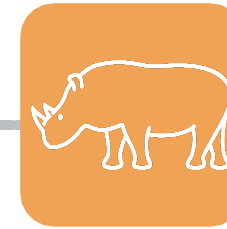

# Intradco Global

Equine, livestock and exotic animal transport

## Front runner

Intradco Global is the world's leading equine, livestock and exotics transportation air charter specialist.

## Exotic expertise

We have also worked with zoos, conservation groups across a variety of relocation projects for unusual and endangered species.

## Fully accredited

We are members of the International Air Transport Association (IATA), and the Animal Transport Association (ATA).

## First class care

Our team of professionals has an in-depth knowledge of IATA's Live Animals Regulations (LAR) – the global standard in transporting live animals by commercial airlines.
